The Danish Food Workers' Union NNF invites you to a cosy Christmas cinema experience

Bring the family to the cinema to watch Angry Birds 3 and enjoy a cosy break from the Christmas rush.

One angry bird faces his biggest challenge yet: fatherhood. And as if that weren't enough, he also has to save the world.

Look forward to a cosy trip to the cinema. The film will be shown on 19 or 20 December in 10 different cities. Scan the QR code to find the screening that suits you best. You will also find information about the time, location and registration.
Best wishes from NNF East Jutland, North Jutland, Mid-West Jutland and Zealand
